

PUBLIC ANNOUNCEMENT / WARNING

29th January 2026

The Curaçao Gaming Authority (CGA) warns the public that the online gambling websites operating using the designation “**GEM55**” are **not authorized and are not licensed by the CGA.**

These websites falsely present themselves as licensed by the CGA and have unlawfully used the logo and detail of CGA and its Digital Authorisation Seal in order to mislead the public.

A genuine CGA Digital Authorisation Seal appears on the domain as a green box displaying the letters “CGA” in white, which when clicked on links directly to the official licence certificate hosted on <https://cert.cga.cw/>, a domain owned and operated by the Curaçao Gaming Authority.

The following domains have been identified:

- gem55.net
- gem55.org
- gem55rocks.com
- playgem55.com
- gem55my.com

Players are strongly advised not to access or use these websites and not to share any personal, financial or other information.

To verify whether an operator is licensed, please consult the license registry on CGA’s official website: www.cga.cw.
